ONLINE SAFETY FOR KIDS

Put a check mark () inside the box if the statement shows online safety and an X mark () if it doesn't. 1. I only accept friend requests from people I know in real life. 2. I share my passwords with my best friends so they can help me log in. 3. I ask an adult for help when I see something online that makes me uncomfortable. 4. I post personal information like my address and phone number on social media. 5. I use strong, unique passwords for each of my online accounts. 6. I always check if a website is secure before entering personal information. 7. I click on links from unknown emails to see what they are about. 8. I download apps and games without asking my parents for permission. 9. I report bullying or inappropriate behavior I see online. 10. I keep my social media profiles private and only share with trusted friends.	ONLINE SAFETT FOR RIDS
