ONLINE SAFETY FOR KIDS

Multiple Choice: Read the questions carefully and encircle the letter of your answer.

1. Someone you don't know sends you a friend request on social media. What should you do?
 - a. Accept the request to make new friends.
 - b. Ignore or decline the request.
 - c. Message them to find out who they are.
 - d. Share your personal information to build trust.

 2. You receive a message with a link from an unknown sender. What is the safest action to take?
 - a. Click the link to check what it is.
 - b. Reply to the message asking for more details.
 - c. Delete the message or report it as spam.
 - d. Share the link with your friends to see if they recognize it.

 3. A classmate posts a picture of you online without your permission. What should you do?
 - a. Ignore it since it's already posted.
 - b. Ask them politely to remove the photo.
 - c. Comment something negative to embarrass them.
 - d. Post a similar photo of them in return.

 4. You find a website that asks for your full name, address, and school name to join a contest. What should you do?
 - a. Provide the information to win the contest.
 - b. Ask a parent or teacher for advice before proceeding.
 - c. Share the contest link with your friends.
 - d. Use fake information to join.

 5. While playing an online game, another player starts asking personal questions like your age and location. How should you respond?
 - a. Answer their questions to make a new friend.
 - b. Ignore the player and report them if they continue.
 - c. Give them false information to trick them.
 - d. Ask them the same questions in return.
-
